This Breeding Programme and Contract is subject to the following conditions:

1. The mare owner agrees to pay all applicable fees to the Stallion Owners being : Goss Green Sport Horses, 122 Oruanui Road, RD4, Taupo,. 3384.
2. Frozen semen -Full stud fee of \$1000 + GST is due at the signing of this contract . Shipping and handling charges will be the responsibility of the mare owner. Details to be arranged with Equibreed.
3. An up to date negative uterine culture certificate may be required, except in the case of a maiden mare, and should be provided upon /arrival, when required.
4. The mare owner should make every effort to notify the stud regarding the expected cycle of the mare, also any scan dates and vet comments regarding follicle size. This will facilitate the management of the stallion's competition schedule.
5. This contract is with the Mare Owner, should a change of ownership occur, a new contract will be necessary. Any outstanding monies owed to Goss Green Sport Horses should be paid at the date of sale.
6. Should a successful pregnancy not occur the named mare (or substitute by agreement) may return next season without further payment of stud fee . A.I. - A vet. certificate of barrenness will be required prior to stud fee refund.
7. Should the mare become barren following a positive scan, a vet certificate of barrenness must be provided. A new negative uterine culture certificate may be required at return.
8. One breeding certificate will be issued for this contract. This will be provided once the mare has returned a positive 42 day pregnancy scan and all outstanding monies owed are paid.
